

Placement Opportunity

When an organisation says YES ask the following questions:

Counselling:

1. What kind of activities or groups or one on one experiences would I be able to take part in with your organisation? (Ask more about these experiences if you need to so you can understand if this is an organisation where you can develop your skills and experience)

2. The days that I would love to do are x and x. Would these days work for the organisation?

3. I'd like to start in X weeks. Would that be possible?

4. I'd like to meet with you to discuss the placement further so we can work out if this is going to be a good fit for us both. When would you be available to meet with me?

5. Would you like me to send you a copy of my resume now or to bring it with me when we meet? Email address? Anything else that you would like me to bring with me?
